

DIAMOND LIGHT BODY ACTIVATION
SATURDAY 12th AND SUNDAY 13th JUNE IN SINGAPORE
with Soluntra King

and LIGHT CODES: AWAKENED LIGHT BODY AND CHAKRAS DVD FREE PREVIEW
THURSDAY EVENING JUNE 10th AT SCARED SPACE

Working with the Diamond Light Body, the new template for the higher dimensions of your oversoul, multi-dimensional self as it integrates into your physical body. The Diamond Light Body is formed through the Diamond Matrix of Light now being activated on Earth which means also through you and your body. This happened as the light codes have intensified through the eclipses, through the planetary link ups as well as all the work that has been done with the great diamonds worldwide that are in the higher dimensional Earth.

The Diamond Light Body is the link that has been missing, and is the vehicle that takes us to the realms of the Light Body master codings and the wisdom and Light of our inner self.

We will be working with new Diamond Light Mudra, new mandala and sound codes and a lot more fully with the Star Chakras and other doorways into your inner awareness through the chakras that have not been so active until now.

We will be working with the Golden Liquid Light Plasma more fully as well as your Light Body and the Diamond Light Matrix, and the Dragon Egg light codes of your divine blueprint.

RNA activation, the RNA receives the multi-dimensional codes.

New DNA activations with light and sound through the physical body and all your energy bodies, with five new mandalas and sound codes.

The Kundalini and Draco Ophiuchus codes from earth to star.

Awareness of the Invisible with lots of opportunity for inner unification, healing and activating the light more fully within by embracing duality and clearing soul contracts. Utilising Light and Sound to activate the Chakras, Light Bodies, DNA and awakening the One Chakra.

This is all new Light Codes not done before in Singapore.

On the Saturday 10am to 6pm we will be inside, on Sunday 10am to 5.30pm we will be outside at the **Bukit Batok Nature Reserve** as we will be doing the Liquid Light Plasma, Diamond Light Matrix within and in the Earth, and working with the new paradigm Chakras, Galactic Centre and Light Code Activation downloads that are best done on the earth for integration and assimilation. This is not a field trip and we will be in one place in the shade, being on the earth for these alignments and activations will be most valuable.
